I the Petitioner-DARIUS ANDERSON case # 3:10-cr-00043 would like to file a civil law suit against the, US office clerk of KNOXVILLE, TN for not filing or responding to my civil law suit against the US attorneys office - Prosecutors Kelly Morris, and the federal Gov for racial discrimination under the 14th amendment equal protection clause. My only african american juror was dismissed with out reason or on transcripts and that violates my constitutional rights, all the courts has to do is look at the video footage and see that i had one african american juror on the Potential Juror list but never was questioned for the Voir-Dire so im being held unconstitutionally. The reason i'm writing to the courts of west virginia is because the office clerks of Knoxville TN is not filing or responding to my motions and with this civil matter being against the US attorneys office of Knoxville and the civil judge is in the same building this should be a conflict of interest. on record for the office clerk of west virginia i would like to file a civil law suit against the US attorneys office, Kelly Morris, Cynthia E. Davidson and the federal Gov for racial discrimination under the 14th amendment equal protection clause-Peremptory Challenges. I sent my last motion certified mail and the clerk that signed was Rachel Stone. X Darius Anderson
